Frankenstein Literature Guide 2010 Secondary

The horror genre has ancient origins with roots in folklore and religious traditions, focusing on death, the afterlife, evil, the demonic and the principle of the thing embodied in the person. These were manifested in stories of beings such as witches, vampires, werewolves and ghosts. European horror fiction became established through works by the Ancient Greeks and Ancient Romans.

During my senior year of high school, I was introduced to the writings of Richard Bach. I started, appropriately enough, with his first book, that ultra-mega-bestseller from the 1970s, Jonathan Livingston Seagull. I read it in my high school's modern literature class, taught by Mrs. Ellis, who included it on a list of books from which students could choose.
