Inventory (American English) or stock (British English) is the goods and materials that a business  
holds for the ultimate goal of resale (or repair).. Inventory management is a discipline primarily  
about specifying the shape and placement of stocked goods. It is required at different locations  
within a facility or within many locations of a supply network to precede the regular and planned ...

Hanseatic League. In cities linked to the North Sea and the Baltic Sea a trade monopoly developed in the Hanseatic League. This facilitated the growth of trade among cities in close proximity to these two seas. Long-distance trade in the Baltic intensified, as the major trading towns came together in the Hanseatic League, under the leadership of Lübeck.
